

O’ahu Hurricane Lane Evacuation Shelter List

While hurricane evacuation shelters offer some protection from high winds and flying debris, they are intended to be a last resort option for residents and visitors without safer options to use at their own risk. In almost all cases, the identified evacuation shelters HAVE NOT been designed or hardened for winds greater than a tropical storm. These shelters are, however, a safer option than remaining in areas prone to flooding or storm surge inundation, on exposed ridge lines or in older homes with wood frames or single wall construction. Whenever possible, the public should plan to shelter in place or with family or friends in homes outside of these hazard areas that were designed, built, or renovated to withstand anticipated conditions.

Evacuees should not expect personal care attendants or caregivers to be available at evacuation shelters. Only general assistance and accommodations will be provided. In addition, evacuation shelters **DO NOT** stock supplies. You must bring your own food, water, and other emergency supplies with you.

Household pets entering a pet friendly shelter must be in a pet carrier or cage for safety and owners must provide water and food for their pets and will be expected to assist in the care of their pet.

Facility Name	Physical Address	City	District
Aiea High	98-1276 Ulune St	AIEA	CENTRAL
Leilehua High	1515 California Ave	WAHIAWA	CENTRAL
Radford High	4361 Salt Lake Blvd	HONOLULU	CENTRAL
